CIPAX

CPX Container 800L rectangular 2"

The tank has a conical 2" or 3" outlet and is supplied with a pallet section for use with a pallet jack or forklift with adjustable tines. The container has a 400 mm O-ring sealed inspection hatch with an acid-proof clamping ring as standard. The well-protected inspection hatch located on top of the tank can be fitted with a seal in the clamping ring. The container can be supplied with connections as required. Acid-proof valves and threaded sleeves as accessories. The tank is stackable when empty. Also available in larger 650 L and 1000 L versions.

Art.nr: 40712

Requires double door
