

CPX Container 1000L rectangular

The tank has a conical 3" outlet or DN80 flange and is supplied with a pallet section for use with a pallet jack or forklift with adjustable tines. The container has a 400 mm O-ring sealed inspection hatch with an acid-proof clamping ring as standard. The inspection hatch clamping ring can be fitted with a seal. The container can be supplied with other connections as required. Acid-proof valves and flange DN80/ SMS51 as accessories. The tank is stackable when empty. Also available in larger 650 L and 800 L versions.

Art.nr: 407502
