

CPX Extension neck cut to size D600 H290-1150

Extension neck for installation on our underground tanks. Flexible version that can be cut to requested height enabling installation depth from 0.2 to 1.15 meter. The extension neck can be combined with itself or other extension necks in our range to suit every possible installation depth for the tank. The extension neck comes with a mounting kit consisting of screws and sealant that gives a stable and tight connection to the tank. For combination with our 600mm green lockable lid that us childproof and supplied with our underground tanks. Made from 100% recycled polyethylene.

Art.nr: 450211

Approximate size

Specifications	
Material	PE
Color	Black
Height (mm)	1150
Diameter (mm)	600
Weight (kg)	26
Tollstatistical code	3926909790
GTIN	7090046760894
Delivery packaging	2 pcs./pallet
Climate impact (kg CO2-ekv.)	23
Recycling	

Characteristics

Recyclable

Wide temperature range

Chemical resistance

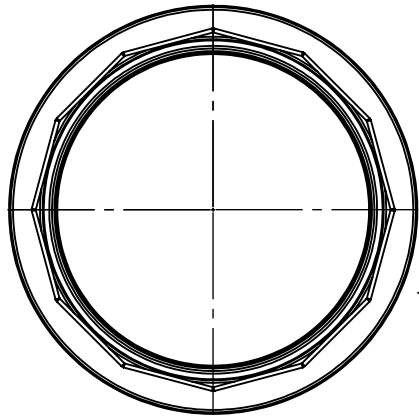

Logistics solutions

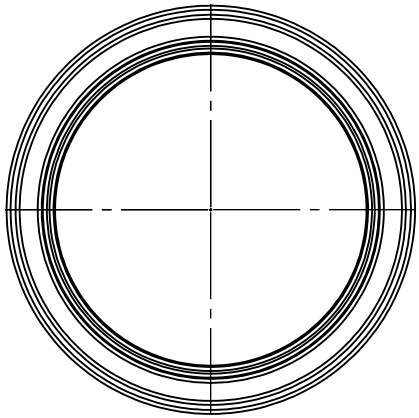

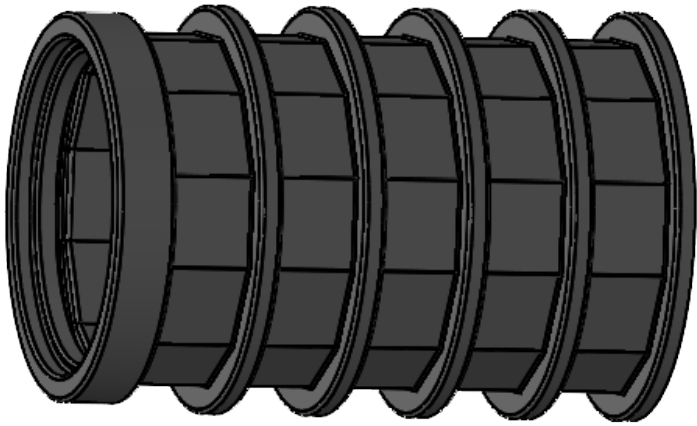

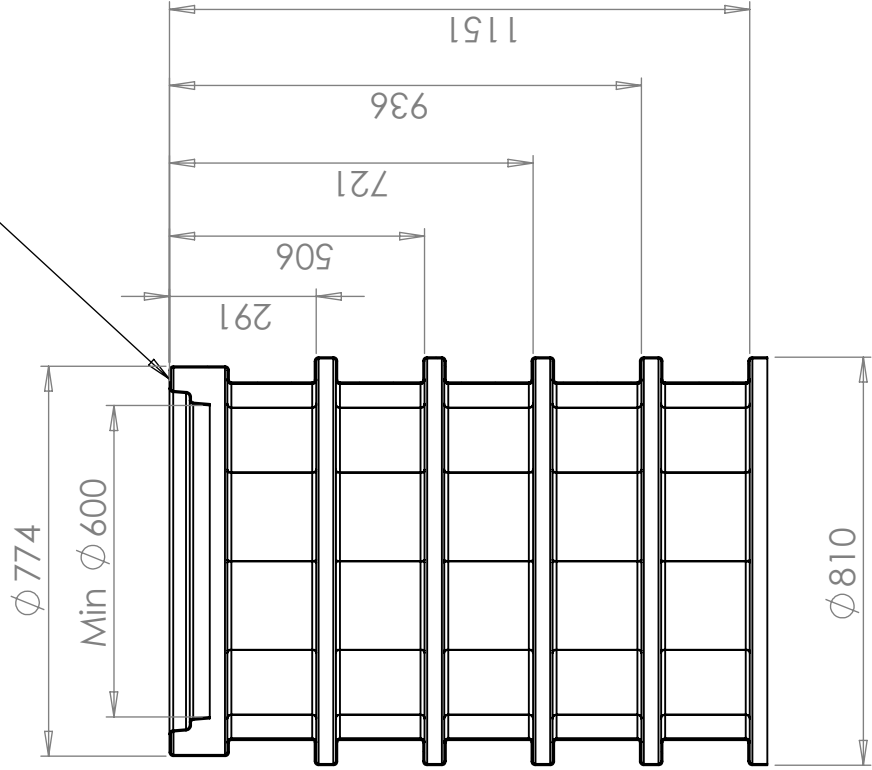

Easy to clean
